

In my PayPal to millions course.

I'll teach you five business model that can fetch you a million in four months.

Model one

You create account for people and charge them for it.

These people are business owners, non business owners, freelancers, young & old who need these accs for foreign transactions.

With your PayPal approval skill

You're solving a problem

You're solving wealth² problem.

What i mean by wealth² is problem of wealthy people.

You charge them 3,000 to N5,000 for creating account for them

This is what you'll create in 3 to 5 minutes after watching my explanation video

And you'll charge 3,000 to 5000 for it.

How sweet

If You Create 1 ACCOUNT DAILY=#90,000 MONTHLY

#3,000 × 2 ACCOUNT DAILY=#180,000 MONTHLY

3,000 × 3 ACCOUNT DAILY=#270,000 MONTHLY

#3,000 × 4 ACCOUNT DAILY=#360,000 MONTHLY

IF YOU ARE THINKING ABOUT HOW WILL I GET CUSTOMERS

THAT MEANS YOUR IQ IS WORKING

EVEN IF YOU DONT HAVE ANYONE THAT WILL ASK YOU TO CREATE ACCOUNT FOR THEM,

ALL YOU HAVE TO DO IS SIGN UP FOR MY COURSE AND I WILL TEACH YOU THE STRATEGIES THAT IVE BEEN

USING AND IVE BEEN TEACHING MY STUDENTS TO GET AT LEAST 4 CUSTOMERS THAT WILL COME TO THEM IN A DAY

The second model of earning with PayPal is to teach people this soft skill.

It's a soft skill you'll learn in 7 minutes and start making money immediately.

You'll become a master in day1 of my class.

It's perfect quick money scheme, after watching my Video explanation you'll be able to create a verified PayPal account in seven minutes

i create it with less than 5 mins

It's perfect side hustle for students, workers and all other people who don't have much time.

The third model of earning with PayPal is the sweetest

I like this, it's very sweet.

With this alone, you can have as much as N50,000+ with just a deal.

Even when people get access to this third model, they'll get their hand burnt if they don't have proper guidance from an expert like me.

fourth model

By helping people pay their bills.

They want to pay for university, just like the man I tagged here.

They want to pay for supplier.

They want to pay for anything online.

You help them pay and have your gain.

Currently dollar is 450 but when I want to help people pay for something my rate is 500.

Which means my gain is 50 naira on every dollar.

Let's say I help someone pay for a phone of 300\$

50×300

Pls do the math.

Fifth model

By creating debit cards for people.

Service charge on this is 10,000 to 20,000.

I don't go below 10,000 on this.

Now!

Tell me why you'll not make at least 300,000 with all these in a month.

Maybe if you sleep from 1 to 30

You'll learn:

3 PayPal business model that will make you a millionaire in four months.

How to open a verified PayPal that can send and receive money from anywhere in the world.

How to link your card with PayPal.

How to fund your PayPal wallet.

How to generate your payment link.

The total value for this course is 150,000 as you've seen.

If I charge N60,000 it will still be a steal for you.

I believe you're going to make times six of that after a month of my teachings.

However! I've crashed the fee to N50,000 so that everyone can benefit from it.

Did I just say everyone? Never.

This offer is available for fast action takers only.

over 100 people have taken this course

Another good news is if you're paying today, you pay N10,000 only.

So! I'll advise you to use this great opportunity to invest in yourself so that others can keep paying you forever.

Is there any guarantee?

Yes

If i don't deliver the result I promised, message me for refund, I'll refund you with immediate effect, I'll also write an apology letter to you in two languages for wasting your time.

If after applying all my teachings and strategies, you still don't make times 20 of your registration fee, I'll pay back double of your fee and apologize to you on all my social media handle.

But that will not happen because I over deliver
